An interesting blend of modern and traditional features plus a great sense of space.

High ceilings, fireplaces and large skirting boards blend seamlessly with the modern kitchen and bathroom.

Upstairs features two large bedrooms, bathroom plus a verandah off the main bedroom.

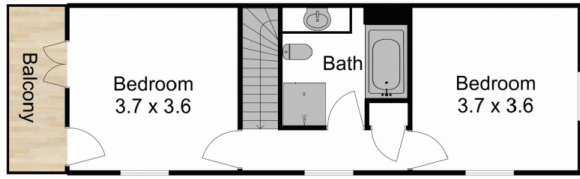

Downstairs separate living room (could become a third bedroom) plus a further living room from the kitchen.

Private rear courtyard that collects the northern sun and there is off street parking with a carpark with cover.

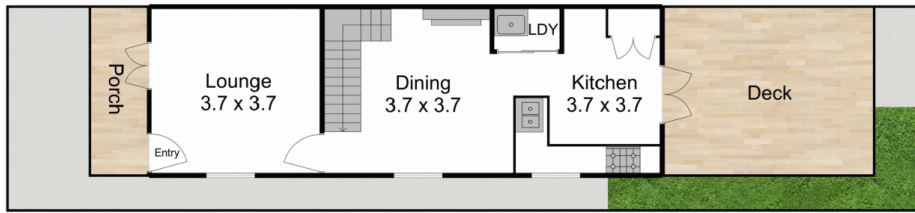

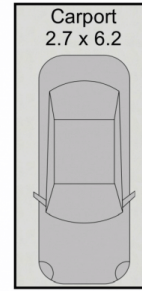

The ideal environment for those who enjoy leafy avenues, walking their dog and the monthly visit to the Olive Grove Markets.
