

## 2 Kurraka Street Whitebridge NSW

3 1 1

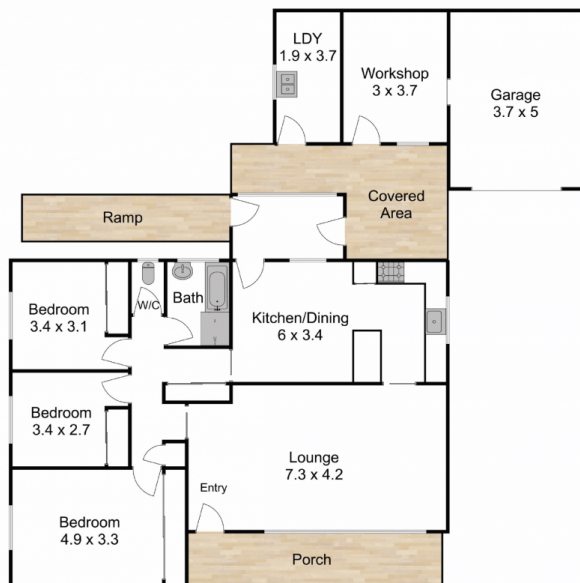

Positioned in a most sought after location, within easy walking distance of schools, chemist, supermarket, newsagent, coffee shops and recreation areas (Fernleigh Track, Glenrock Lagoon, netball/football/tennis/cricket facilities).

This much loved family home is all on one level and is spacious throughout, with double bedrooms (all with built-ins), combined lounge/dining (newly carpeted over polished cypress pine flooring), big eat-in kitchen, central bathroom and separate WC. The garage was originally a home while the house was being built by the owner and still has access to basic amenities (water, sewerage, power). It could easily become a granny flat/home or office/studio (subject to council approval), with ample storage by way of mezzanine and roof space. House and garage both have 3 phase power connected. Hot water is supplied by a cost
